

ICAS Tests will be offered at BPS again this year. ICAS is an independent, skills-based assessment program run by The University of NSW. Tests are available for students from Years 2 to 7, in English, Maths, Science, Spelling, Writing and Digital Technologies. Further information is available from their website <https://www.eaa.unsw.edu.au/icas/about>. Students who sit the test will be withdrawn from their class and supervised under standard test conditions. Each student who participates will receive a Certificate and a detailed results letter indicating their strengths and weaknesses.

If you are interested in having your child sit these tests you will need to complete the order form and submit it with payment to the front office by **Wednesday 29th March**. This will ensure we are able to purchase the tests at the 2016 rates and will minimise the handling fees which the school will cover in the first instance. Please see the table below for the cost and dates of testing for each test.

Please note: We will be placing one order for all tests before the end of March. Any late requests (after March 29th) will be responsible for covering the cost of the handling fee themselves (see cost below).

ICAS SUBJECT 2016 PRICE

(INC GST)	Test Date	
Digital Technologies	\$8.80	Tuesday, 23 May
Science	\$8.80	Tuesday, 30 May
Writing	\$18.70	Monday, 12 June – Friday, 16 June
