## Annual General Meeting

Our Annual General Meeting will be held on Monday 19th of February. All Parents and current members of our Governing Council are invited to join us at 6:30 pm in our new music room. Our Parents & Friends AGM will be held on the same night at 6pm in the music room.

Our 2017 Annual Report will be presented and Catherine Carlin, Mike Delean and Ian Filer will present to parents two new initiatives adopted at our school.

- Behaviour Education at Brighton P.S
- Growth as a Learner

We will also outline to parents our STEM building programme, (thanks Sue) our Building Better Schools initiative and our \$150,000 Fund Your Neighbourhood playground development— thanks Jamie and team!

## Acquaintance Night

Acquaintance Night will be held on Tuesday the 13th of February from 5 pm until 630pm. A half an hour has been allocated to each team details will be provided to all parents very soon.

We encourage all parents to visit your child's teacher and get a clear understanding of our learning and teaching programmes at Brighton Primary School. Please join us!

## Assistant Principal Appointment

Brighton Primary School will be appointing an Assistant Principal, Students at Risk, from our current teaching staff next week. This will mean that a class teacher will undertake this role and will be replaced this year. I will update parents next week, once the announcement has been made.

## STEM Update

Unfortunately, our STEM redevelopment has been delayed, with an upcoming "commencement meeting" taking place here at school on Thursday of next week. Following that meeting I will update our whole school community about exactly what will be happening. I look forward to this exciting building program commencing!

## New Music Studio

Our new music room is nearing completion, following our decision to remove the wall between two rooms on the first floor in Learning Area 2 that were previously our CDE/EALD Spaces. The new double space (2.2/2.3) will be ready for use by the middle of next week. Our new music teacher Amanda Cheah is very excited, as am I.
